

StageManager::StageManager

```
graph LR; A[StageManager::StageManager] --> B[StageManager::initialize Stage];
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'StageManager::StageManager'. The right box is gray with a black border and contains the text 'StageManager::initialize' on the top line and 'Stage' on the bottom line. A blue arrow points from the right side of the left box to the left side of the right box.
