

detail::input_adapter

```
graph LR; A[detail::input_adapter] --> B[detail::input_adapter]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow pointing from left to right. The left box is filled with a dark gray color and has a thin black border. The right box is filled with a light gray color and also has a thin black border. Both boxes contain the text 'detail::input_adapter' in a black, sans-serif font, centered within the box.
